

Grade Distributions for Physics I (Fall 2017)

PS215.01

PS150.08

PS150.05

<u>Course</u>	<u>Mean</u>
PS215.01	55.4
PS150.05	70.1
PS150.08	66.2

Notes about the final exam:

1. Please see the course syllabus for the time and location of your exam.
2. The exam will be a paper exam with 20 problems. Show your work for credit and partial credit.

Note: If anyone receives a perfect score on the final, they earn an “A” for the course. You must show your work in support of your answers in order to receive a perfect score.

3. The course syllabus reflects the updated cut-offs for grades (A, B, C, D, F)
